

400G AOC Active Optical Cable HAOC-QSFPDD-400G

- Full duplex 8 channel 850nm parallel active optical cable.
- Up to 50Gbps Data rate per channel.
- Maximum link length of 100m links on OM4 multimode fiber.
- High Reliability 850nm VCSEL technology.
- Electrically hot-pluggable.
- Case operating temperature range:0°C to 70°C.
- Power Consumption:≤ 9W.

Description

Overview

Foredge 400G QSFP-DD AOC high-speed cable is used in short distance interconnection scenarios such as 400G Ethernet and Infiniband. Applied in 400G Ethernet and Infiniband short-distance interconnects, this product is 100% compatible with all major brands of servers, switches, routers, PDH/SDH transmission equipment, EPON, GPON, WDM PON base stations, and more. The high-speed cable meets the requirements of high-density port configurations for hardware communication devices and data centers with low cost and low power consumption. The length of the AOC cable can be customized, catering to various length demands.
